

New Jersey Department of Law and Public Safety's Division of Criminal Justice is pleased to announce Victim Information and Notification Everyday (VINE).

Please read the following criteria and guidelines before submitting your agency's information for review:

- The agency/organization must provide services in New Jersey, regardless of where the agency is located. Services include emergency support, basic needs, counseling, healthcare, legal/financial support, and children's services.
- Agencies/organizations will be responsible for updating and maintaining their own information. Failure to update annually will be grounds for removal from the directory.
- Questions about inclusion or exclusion from the directory may be directed to the New Jersey VINE Program Manager.
- New Jersey VINE reserves the right to include or exclude any agency or organization at its discretion.

The following will be excluded from participating:

- Agencies/organizations that discriminate against individuals based on race, age, gender, religion, sexual orientation, or other factors in the sole discretion of New Jersey VINE.
- Agencies/organizations that misrepresent themselves or their services in any way, including non-delivery of services.
- Agencies/organizations that are engaged in illegal or fraudulent activities.

We hope you will choose to be a part of this important new resource for crime victims in our state.
