

The South Carolina Department of Corrections (SCDC) is pleased to announce a new version of SC SAVIN, now called VINE (Victim Information and Notification Everyday).

Please read the following criteria and guidelines before submitting your agency's information for review:

- The agency/organization must provide quality victim services in South Carolina, regardless of where the agency is located. Services may include emergency support, basic needs, counseling, healthcare, legal/financial support and children's services.
- Agencies/organizations will be responsible for updating and maintaining their own information. Failure to update annually will be grounds for removal from the directory.
- Questions about inclusion or exclusion from the directory may be directed to the South Carolina VINE Program Manager.
- South Carolina VINE reserves the right to include or exclude any agency or organization at its discretion.

The following will be excluded from participating:

- Agencies/organizations that discriminate against individuals based on race, age, gender, religion, sexual orientation, or similar factors.
- Agencies/organizations that misrepresent themselves or their services in any way, including non-delivery of services, or that are engaged in illegal or fraudulent activities.

We hope you will choose to be a part of this important new resource for crime victims in our state.
