

Lighten Your Verification Workload

Whether it's buying a home, financing a car, starting a new job or applying for a government benefit, important events in people's lives often require employment or income verification.

■ **Verification Exchange™ streamlines the process between employers and verifying organizations.**

Verification Exchange provides confirmations of employment or income 24 hours a day, 7 days a week and 365 days a year, giving employees the benefit of instant verifications.

Employer Benefits

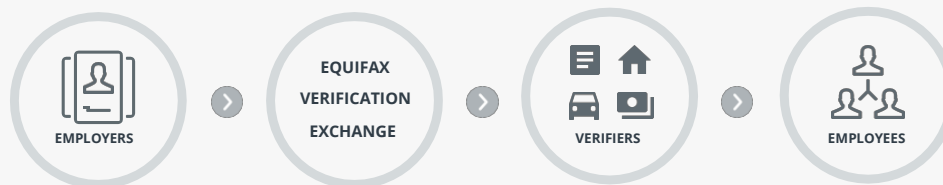

Reduce the administrative burden.

- Employees are responded to instantly
- Decrease your verification workload
- Reduce the risk of improper verifications

Employee Benefits

Access credit and benefits faster.

- Fully web and mobile enabled
- Receive your verification instantly
- Replace paperwork and increase security

Secure and Automated Connection

Equifax supports the verification process with a secure and automated connection between employers and verifiers. Information is updated on the payroll cycle so the most accurate and current information is provided to verifiers.

Additional services available to employers include:

- Letter of Employment
- Record of Employment
- Travel Letter
- Compliance Center
- Tax Form Management

Start the process for instant income and employment verifications at verificationexchange.ca/employers/
