Introducing a new credit certification program for financial professionals

The Equifax Advanced Credit Certification Program is an eight-module course designed to help deepen your understanding of credit offerings and solutions for clients across Canada.

When you enroll in this [new certification program](#), you'll gain an in-depth understanding of the credit process and the credit report to help close complex deals.

Being certified will help you differentiate yourself as a Certified Equifax Credit Professional. Upon completion you'll achieve recognition and a digital badge to feature on your website, LinkedIn and Facebook profiles, as well as your email signature.

Want to learn more? Contact your account manager for rates, to learn more about the program and to enroll. French program available October 2022.
