Liberate Your Payroll Department, Empower Employees

It's rare to make a decision where everyone wins, but with Paperless Pay from Equifax, you can do exactly that. Leverage the Equifax expertise and provide a single, seamless interface between your employees and your payroll. Your payroll team will have more time to focus on strategic work, and your employees will feel empowered to help themselves obtain the documents they're after.

Here are even more ways your organization can benefit:

- **Reduce Costs.** We work with you to develop a business case highlighting your potential savings with a switch to Paperless Pay.
- **Data Security.** Have peace of mind knowing that your data is safe with technology held to the security standards of Equifax, a credit bureau governed by strict regulations.
- **Integration with Tax Slip Management from Equifax.** Provide easy, seamless access to tax slips through the integration between Paperless Pay and Tax Slip Management.
- **Go Green.** Complement your organization's existing eco-friendly initiatives by eliminating printed pay cheques and pay slips.
- **Keep Compliant.** Equifax proactively monitors legislation to ensure your organization's solution is fully compliant. We can supplement your internal resources by contacting you when legislation may impact your payroll practices.
- **Offer Universal Access.** Offer current and former employees access to their pay slips online or via phone and empower them to receive notifications when new wage information is available or when changes have been made.
- **Capitalize on our Experience.** Take advantage of our experience in assisting organizations of all sizes and from every industry in transitioning from paper-based to Paperless Pay.
