

Remove the Burden of Tax Slips While Saving Time and Money

■ A Single Resource For All Your Tax Slips

Payroll departments are often challenged with handling an overwhelming amount of administrative tasks that includes tax slips. With all of those tasks and costs, payroll departments could use some relief.

Equifax can offer that relief during tax season and beyond with a fully automated system to help make sure these important tax slips are accurate and in the hands of employees so they can file their taxes without delay.

Online Delivery

Tax slips for employees and former employees are delivered online, improving the overall user experience

Time and Cost Savings

Administrative burdens are lifted with automation, saving time and money for your organization

Data Integrity

Automation reduces the likelihood of human error and provides security, privacy, and compliance

■ Additional Benefits

- Download a replacement copy at any time and as many times as needed
- Eliminate cumbersome and dated tax slip processes
- Deliver tax slips by mail when the circumstances require
- Call center support is provided to employees by Equifax
