

# Disaster Tax Relief Credits

We help make it easy to claim your disaster tax relief credits!

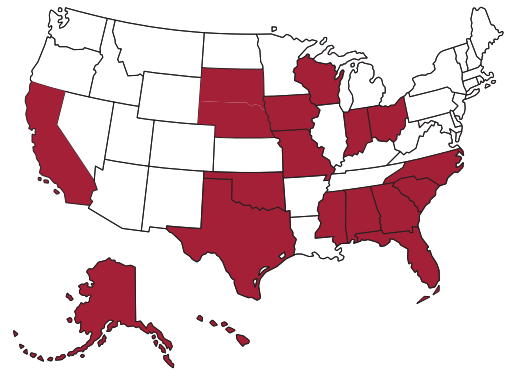

Did you know recent legislation passed under the **Taxpayer Certainty and Disaster Relief Act** that temporarily renews approximately two dozen credits, including disaster tax relief credits? Qualifying businesses with locations within the disaster zones **could receive up to \$2,400 per eligible employee** for wages paid or incurred during the time the employer's business was located in a qualifying disaster zone.

## Do you qualify for disaster relief tax credits?

Was your business rendered inoperable due to a natural disaster in 2018 or 2019?

- Employee absence increase
- Fewer customers visiting physical location
- Reduced sales
- Supply chain delays and interruptions
- Physical business closures
- Reduced production

Were you located in one of the qualifying disaster zones?

If your answer to both of these is "yes," then you could qualify for disaster credit tax relief!

## We manage the details. You claim your credits, without burdening your team!

By using the power of The Work Number,<sup>®</sup> we can uniquely help you maximize this impactful credit opportunity.

### Identify

We determine all qualifying locations your business operated in.
