

Contract Training Solutions

Training tailored to your organization can be customized with your internal branding requirements, helping you save your team time, and help reduce risk, regardless of turnover or team change.

WE HAVE YOUR TRAINING NEEDS COVERED!

Equifax Workforce Solutions provides our customers with many complimentary training opportunities and educational materials to help you and your teams get more out of your Workforce Solutions services through our client-exclusive Connections platform, helping deliver valuable resources and industry knowledge.

Unlock a powerful learning experience with our Branded Target Pages

Provide your learners direct access to purchased training materials via a dedicated webpage featuring your unique branding. Showcase all purchased training, consistent with Connections, for \$5,000 annually. Or for a more targeted solution, display purchased process-specific content for \$7,000 annually. Please note that pricing renews yearly and may vary.

Migrating to a new platform?

In addition to the free resources provided for your migration, we also offer to enhance your workforce's skills with our Enablement Bundle, which includes a PDF User Guide, On-Demand Video, and a Job Aid, all offered at a special price of just \$3,750—half off the regular cost!

Can't decide on just one?

Purchase our Active Product Bundle, which includes two or more assets at a 10% discount.

Contact your Account Representative to learn more or purchase a plan!
