EQUIFAX® | THE WORK NUMBER

Employment Data Report Request

An Employment Data Report (EDR) includes all employment data sent to The Work Number® service by participating employers. The EDR provides current and historical employment and income information in The Work Number as well as a listing of verifiers who have requested your data in the past 24 months and information on how to dispute any inaccurate data. An important document titled "A Summary of Your Rights Under the Federal Credit Reporting Act" is also included.

You can receive instant access to your EDR by going to TheWorkNumber.com and clicking on the View My Data option under Login. You also may receive a copy of your EDR by mail by filling out and returning the form below with the required proof documentation by mail or email.

If using email, be sure to only send the completed form via our Secure Email channel, Virtru. If you have not received a secure email, send an email to EDR@equifax.com requesting a secure email to return the form and proof documentation. Please note this option will take longer to process.
