

EQUIFAX[®]

Lighten Your Verification Workload

Whether it's buying a home, financing a car, starting a new job or applying for a government benefit, important events in people's lives often require employment or income verification.

Verification Exchange[™] streamlines the process between employers and verifying organisations.

Verification Exchange provides confirmations of employment or income 24 hours a day, 7 days a week and 365 days a year, giving employees the benefit of instant verifications.

Secure and Automated Connection

Equifax supports the verification process with a secure and automated connection between employers and verifiers. Information is updated on the payroll cycle so the most accurate and current information is provided to verifiers.
