Are your choices **helping** or **hurting** your long-term retirement goals?

Get investing and retirement planning help **built around you** from Financial Engines.

Saving, investing, and planning for your retirement is highly personal and can be complicated. Getting a little help can make a big difference. That's why Equifax offers you a Financial Engines benefit in addition to your Equifax Inc. 401(k) Plan to provide advice and guidance on investing and retirement planning. Financial Engines works with you to make sure you are making the most of your retirement plan. With your Financial Engines benefit, you have access to:

- **Objective, unbiased investment advice, and portfolio management** to help you decide how to invest and plan for your retirement
- **Retirement Evaluations** that explain how your retirement accounts are doing — and easy steps to take that could improve your plan to help you achieve your goals
- **Your own personalized planning site** with estimated income, savings tools, and more
- **Licensed Investment Advisor Representatives** to explain things clearly, answer your questions, and help you get on the right track

Who is Financial Engines?

We are America's largest independent investment advisor.* We believe in personalized, low-cost investing, at a fair price to help you retire well. Our services are:

Personal
Custom portfolios built based on your unique needs.

Proactive
Keeping you informed on what's happening with the markets and helping you stay on track toward your retirement goals.

Comprehensive
A full-picture view, with consideration of your retirement savings, Social Security, Retirement income, spousal retirement accounts and any additional outside retirement assets.

Unbiased
We're proud to have been a fiduciary for 20 years. We put your best interests first not because it's a legal obligation, but because it's the right thing to do. We don't sell funds. We don't receive commissions or revenues from fund managers.
