## What You Need to Know

The credit scores provided are based on the VantageScore® 3.0 model. Any one-bureau VantageScore® uses Equifax® data. Third parties use many different types of credit scores and are likely to use a different type of credit score to assess your creditworthiness.

(1) Locking your Equifax® credit report will prevent access to it by certain third parties. Locking your Equifax® credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax® credit report include: companies like ID Watchdog, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state, and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of pre-approved offers, visit [www.optoutprescreen.com](http://www.optoutprescreen.com). (2) The 3-Bureau PreCheck feature is made available to consumers by Equifax® Information Services LLC and fulfilled on its behalf by Identity Rehab Corporation. (3) The monitored network does not cover all businesses or transactions. (4) There is no guarantee that we can detect or remove consumer personal information from all people search sites. (5) Monitoring from TransUnion® and Experian® will take several days to begin. (6) There is no guarantee that ID Watchdog is able to locate and scan all deep and dark websites where consumers' personal information is at risk of being traded. (7) The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions. Review the Summary of Benefits ([www.idwatchdog.com/terms/insurance](http://www.idwatchdog.com/terms/insurance)). \*May be subject to delay or change.
