

# More Deals. Verified.

Three different ways income and employment verifications help dealers sell more cars throughout the sales process.

<p><b>1. The Walk-In &amp; Test Drive</b></p>	<p><b>Real-time Income &amp; Employment Check</b></p>	<p><b>Reduce wasted time &amp; money.</b></p>
	 <p>Verify customer's annual income</p>	 <p>Help ensure you put your customer in a car they can afford before they complete the test drive. Informs pricing before F&amp;I and ultimately delivers a better customer experience.</p>
<p><b>2. The Deal</b></p>	<p><b>Real-time Income &amp; Employment Check</b></p>	<p><b>Combat fraud &amp; avoid contract buybacks.</b></p>
	 <p>Validate customer's identity and social security number match with credit file</p>  <p>Identify income &amp; employment discrepancies</p>	 <p>Reduces overstated income, unwinds and rewrites by verifying identity, income and employment information leading to better lender relationships and customer experience.</p>
<p><b>3. The Financing</b></p>	<p><b>Comprehensive Income &amp; Employment</b></p>	<p><b>Clear lender stipulations.</b></p>
	<p>Provide up-to-date income &amp; employment information to clear lender stipulations in F&amp;I office</p> 	 <p>Provides comprehensive &amp; valid proof of income instantly to a lender to help speed up the approval process. And with 24/7 access to verifications, you can close deals with confidence, even when the banks are closed.</p>
