

## Sunil Bindal

EVP and Chief Corporate Development and Strategy Officer

Sunil Bindal is Chief Corporate Development and Strategy Officer, leading the global Equifax acquisition program to bring new data assets, capabilities and opportunities to drive growth. He is also responsible for ensuring strong strategic alignment across the enterprise with the company's EFX2027 Strategic Priorities.

Prior to Equifax, Bindal acted as Senior Vice President, Global Head of Mergers & Acquisitions and Corporate Development at Total System Services (TSYS), as well as Vice President of Corporate Development at Broadridge Financial Solutions. Prior to his corporate development roles, he spent nine years in investment banking at Credit Suisse in its Technology M&A group in New York.

Bindal currently serves on the Board of Directors of Credit Bureau of Cambodia and is a member of the audit and product committees. He also serves on the Board of Directors of Dun & Bradstreet Singapore, Infocredit Holdings Private Limited and Singapore Commercial Credit Bureau.

Bindal earned his Bachelor of Technology degree from the Indian Institute of Technology Bombay, dual Master of Science degrees in computer science and chemical engineering from Illinois Institute of Technology, and an MBA from the University of Chicago Booth School of Business.
