- Validation of the business and tax preparer through external source search(es)...and more!

Verification solutions from Equifax Workforce Solutions. All you need.

¹Customer must be contracted for individual verification services. Services must be separately ordered. Separate terms and conditions apply to each service. Contact your Equifax representative with questions and for additional details.
²Marketplace competitive intelligence research conducted by Peak Innovation: Competitive Intelligence Firm, October 2020 United States. Individual results may vary.
³Based on internal Equifax tracking from October 15, 2021 through February 1, 2022.
⁴Information concerning number of years in business, percentage of ownership or partnership, individual's position title, and whether individual's company is open and operational or closed only provided when available from a validated tax preparer. Tax preparer information must be provided at order origination.
