

IRS Tax Transcripts Fulfillment Service

Let us help you eliminate stress due to unnecessary delays and limit costs during the loan process. Use our streamlined IRS Tax Transcript Fulfillment Service.

We help to obtain tax transcripts from the IRS that can provide extensive information relating to a household's income, including salary and wages as well as investment income.

What are the benefits?

- Set price per tax form regardless of how many years of tax transcripts are ordered¹
- Higher IRS acceptance rates²
- Fewer obstacles to placing orders quickly using our proprietary workflow engine
- Minimal delays and maximized automation for submitting documentation to the IRS
- Simplified process eligible for Fannie Mae's Day 1 Certainty DU Validation Service

Eliminate stress

Network Verification Services from Equifax
— a premier service provider

Preferred choice within the industry

We are the preferred choice among U.S. mortgage companies.

Outperform the competition

↑ 95%

Our IRS acceptance rate is 95% or higher versus the industry average of 80-85%.²

Exclusive quality check

✓ 100%

Exclusive 13-point quality check performed on 100% of orders to reduce potential delays, errors, and additional costs.
