How does your verification provider's coverage compare?

Mortgage verifications

The Work Number can help accelerate mortgage decisioning and loan close time.

Mortgage lenders see process efficiencies, an improved borrower experience along with cost and time savings with The Work Number.

Has your verification provider been approved by Government Sponsored Enterprise validation programs to help expedite the loan process?

Verifier access

Over 1,800 verifiers utilize integrations with The Work Number to help provide real-time responses for quicker decisioning.

The Work Number offers web-based verifications, system-to-system integrations, and batch processing for ultimate flexibility.

How many integrations does your current verification provider offer?

Government verifications

The Work Number is the leading automated third-party employer contributor service for social services verifications.

Federal, state, and local agencies fulfilled nearly 30 million social services verifications in 2020 alone through The Work Number.

How has your provider supported automated government verifications to help accelerate decisioning for credit and aid?

Compliance

The Work Number is held to high compliance standards by the Consumer Financial Protection Bureau (CFPB).

The Work Number requires permissible purpose. In addition, we go beyond FCRA requirements by requiring auditable consent for income information.

Is your current verification provider considered a Consumer Reporting Agency by the CFPB and are they FCRA compliant?
