The Work Number database: Value for you

- Comprehensive data; improve efficiency and decision making, while helping to mitigate risk and fraud.
- Verifiers have 24/7 access (after-hours and during the weekend), which speeds up the application process for loans, credit, benefits, and more.
- Employers contribute data every pay cycle, which then makes fast and secure employment and income verifications possible for their employees.
- Permissible purpose under the FCRA, Equifax also requires that verifiers have documented consent from the consumer prior to accessing income information.

Over 71,000 verifier organizations rely on The Work Number to deliver information that helps eliminate reliance on applicant-provided data, while adding to operational consistency and efficiency.
