Talent Report Express

Instantly access employment, identity and education in a single location with an SSN-only search.

Verifying a candidate’s employment, education and identity can be a time consuming, manual process. With enhancements made to Talent Report™ Express*, you can instantly access a candidate’s employment, education and identity in a single location using an SSN-only search.

With access to 504+ million active and historic records from over 2 million contributors to The Work Number®, Talent Report Express instantly verifies a candidate’s employment and validates a candidate’s identity.¹

In partnership with National Student Clearinghouse®, Talent Report Express leverages education-based data providing all available postsecondary degrees covering 99% of postsecondary students.²
