The Kentucky Department of Corrections (KYDOC) is pleased to announce a new version of KYVINE, now called EVINE (Enhanced Victim Information Notification Everyday).

Please read the following criteria and guidelines before submitting your agency's information for review:

- ✓ The agency/organization must provide quality victim services in Kentucky, regardless of where the agency is located. Services may include emergency support, basic needs, counseling, healthcare, legal/financial support, and children's services.
- ✓ The Agency/organization must be registered with the Better Business Bureau (BBB) or Secretary of State, if they are a "for profit" agency/organization and not VOCA funded.
- ✓ Agencies/organizations will be responsible for updating and maintain their own information. Failure to update annually will be grounds for removal from the directory.
- ✓ Questions about inclusion or exclusion from the directory may be directed to the Kentucky VINE program manager.
- ✓ Kentucky VINE reserves the right to include or exclude any agency or organization at its discretion.

The following will be excluded from participating:

- ✓ Agencies/organizations that discriminate against individuals based on race, age, gender, religion, sexual orientation, or similar factors.
- ✓ Agencies/organizations that misrepresent themselves of their services in any way, including non-delivery of services, or that are engaged in illegal or fraudulent activities.

We hope you will choose to be a part of this important new resource for crime victims in our state.
