

A DACA Case Study

How One Company Saved Time on DACA Cases Using Immigration Case Management

A non-profit in the south used Immigration Case Management to help them manage their immigration case load. Over the period of a year, the results were outstanding: increased efficiency, **increased capacity and close to a \$100,000 annual cost savings.**

ICM Increases Efficiency	ICM Increases Capacity	ICM Increases Capacity
<p>Saved Time 4.25 Hours Per Applicant</p> 	<p>More Cases 1,600 Cases Processed</p> 	<p>Increased Efficiency 1,600 More Cases</p> 
<p>Using Immigration Case Management 3 Hours Per Applicant</p> 	<p>Revenue \$280 Per Case</p> 	<p>Increased Capacity 1.25 Hours Less Time</p> 
<p>Results 1.25 Hours Time Saving Per Applicant</p> 	<p>The Top Line \$480,000 in Revenue</p> 	<p>The Bottom Line \$90,000 in Annual Savings</p>
